
Now in its Second Edition, this textbook prepares students to work as nursing assistants in long-term care, acute care, and home health care settings, and provides a firm foundation for advancement to an LPN and ultimately an RN role. The book is written in a direct, conversational writing style with an emphasis on professionalism and humanism. This edition is significantly updated and has new photographs and illustrations. A front-of-book CD-ROM includes an audio glossary. An audiobook version of the entire text in MP3 format is available as a separate purchase. A student-edition DVD, containing selected procedures from Lippincott’s Video Series for Nursing Assistants, is also available as a separate purchase.
